

# Court Use & Mix-Ins

## Priority Playing Times for 2020

Members may play whenever they want, apart from **PRIORITY PLAYING TIMES** (shown above)

**MATCHES & TOURNAMENTS ALWAYS HAVE PRIORITY**

*However, WHENEVER a court is available, ANY MEMBER is free to play unless / until one of the priorities below need it.*

If all 3 courts are in use then please, *politely*, ask the players who have been on the longest to finish their set and give the court to the waiting players.

*Many Thanks, Pammy (chairman)*
